Dear Applicant,

We appreciate your interest in applying for a volunteer position with Waskasoo Environmental Education Society (Kerry Wood Nature Centre and Historic Fort Normandeau).

Please bring this letter with you to your local RCMP detachment, in Red Deer. This letter will allow the RCMP to waive the fees normally charged for a police information check. **You will need to bring 2 pieces of identification with you, one of them being photo ID.** Please return your application package and completed police information check to myself, the volunteer coordinator. You can drop it off at the nature centers front counter and I will be in contact you soon thereafter.

If you have any questions or concerns, please contact me, Marg Harper, Volunteer Services at Waskasoo Environmental Education Society. Thank you for your interest!

Regards,

Marg Harper SW,
Volunteer Services,
Waskasoo Environmental Education Society
