## Lichens of Waskasoo Park

### A) Crustose

*Lecanora* sp.  
*Caloplaca sphaeroides*  
*Lecidea* sp.  
*Candelariella aurella*  
*Calicium* sp.

### B) Foliose

*Parmelia albertana*  
*Parmelia sulcata*  
*Parmelia flaventios*  
*Cetraria halei*  
*Physia stellaris*  
*Physia orbicularis*  
*Physia adscendens*  
*Hypogymnia physodes*  
*Peltigera canina*  
*Xanthoria fallax*

### C) Squamulose

*Cladonia* sp.

### D) Fruticose

Usnea sp.  
Ramalina sp.  
Evernia mesomorpha
