Free Self-Guided Visits

Teachers, you are invited to use the Kerry Wood Nature Centre and Historic Fort Normandeau facilities free of charge to deliver your own educational programs. The Nature Centre has an extensive natural history and environmental education reference library. It, our field study equipment, the Marjorie Wood Gallery, and the Gaetz Lakes Sanctuary are available for your use. Students conducting independent studies are also welcome to come and use our resources, including the public access internet connection in the Kerry Wood Reading Room.

Although there is no charge for self-guided groups visiting the Nature Centre, **please call ahead** to ensure that the services and facilities you wish to use will be available during your visit.

Important Booking Notes

Rates: Rates quoted are for single classes (up to 30 students per class). Groups requiring more than one interpreter will be charged for two classes.

Supervisors: Teachers are asked to provide one adult supervisor for every five students (ECS–Gr. 2) or one supervisor for every six students (Gr. 3+). Due to space constraints we ask that you do not exceed these ratios.

Adequate supervision is extremely important for your class's enjoyment of their trip.
